

## **YOUNG BROTHERS BAND**

**The Young Brothers Band, formed in 2024, is primarily a Rhythm and Blues Band. Each member brings a range of musical influences, styles and experiences which shape the music the Young Brothers perform. The band's motto is "Make the Songs Our Own".**

**Members of the band are:**

**Gary – lead guitar. Gary brings the vast musical depth of his guitar to the mix. Over the years, he has toured with and opened for a wide variety of bands including Aerosmith, Guns and Roses, and James Brown to name a few.**

**Tim – bass guitar. Tim is the founding member of the Young Brothers. His bass guitar provides the bottom end which is so crucial to the music they play. Tim was also a co-founding member of the Black Brook Band which played throughout Vermont and New Hampshire.**

**Louis – vocals, guitar, and harmonica. Louis brings the blues influence to the mix. He has played with several blues greats over the years including Weeping Willie Robinson, Elmore James, Jr., Shorty Billups, and the "Regal Queen of the Blues", Shirley Lewis.**

**Deano – drums. Deano lays down the solid drum feel and push, providing the meat and potatoes grooves the band needs. He has played with a variety of bands including the Gully Boys, Dog Dazy and Joe Mitchell.**
